DOG ADOPTION QUESTIONNAIRE

The aim of the following questionnaire is to check the suitability of your profile as a possible adopter of one of our dogs from S.C.A.N. If the animal cannot yet be spayed or neutered due to its age, the adopter is legally obliged to have this operation carried out by a vet as soon as there are no longer any medical objections. **The Adopter is required BY LAW to notify their Vet about the change of ownership of the dog within 7 working days from the Adoption date in order that their details can be registered with the appropriate Microchip Authority.**
